WHY DIGITAL MD VENDING

Real-time telemetry

Every reading streamed live

Live inventory control

Know stock at every point

24/7 automated dispensing

Always open, unattended

Digital & contactless pay

Card, mobile, QR & more

Remote monitoring & pricing

Manage from anywhere

Receipts & promotions

E-receipts, offers, campaigns

More than a machine — a managed platform.

Every sale, stock level and alert flows into the Digital MD dashboard. You run the operation in real time, from anywhere — not the hardware, the business.

Live inventory

Stock at every machine, in real time

Remote pricing & planogram

Update prices and layout from anywhere

Sales & consumption reports

See what moves and what doesn't

Low-stock & fault alerts

Act before a slot sells out

Installation, support and updates included — we stay with you.
